THE ULTIMATE TAILGATE PARTY

Fall is football season and you don't want to miss the Ultimate Tailgate Party! Join us for **'Que & Brew** on **Saturday, October 22** for a day of food, football and fun. Our nationally ranked BBQ teams are ready to wow you with their fabulous food and amazing rigs. Sample beer from the best breweries around and enjoy lawn games such as Cornhole, giant Beer Pong, and more! This tailgate has something for everyone!

As a sponsor of this exclusive event, you will have access to the Ultimate Tailgate Party, but also our VIP Party on Friday evening before the event. Limited to our sponsors and their guests, the VIP event will showcase each BBQ team's top specialties on the grill, such as brisket, salmon, ribs, and other mouth-watering delights. Sponsors also receive promotional benefits outlined in the chart below. If you don't see a package that meets your needs, please contact **Cindy Fennel** at cfennel@livesaferesources.org or **678-303-4700**, and we can create one that works for you.

All funds raised from 'Que & Brew benefit LiveSafe Resources, a 24/7 agency dedicated to providing safety and healing to those impacted by domestic violence, sexual assault, and elder abuse. LiveSafe Resources operates the leading domestic violence shelter and support program in Cobb County, providing emergency shelter, case management, legal advocacy, and transitional housing, where clients and their children can stay for up to two years. We also partner with law enforcement, the D.A.'s office and WellStar Health System to provide emergency services and advocacy to victims of sexual assault from Cobb, Paulding, Cherokee, and across northwest Georgia.
