Report of the Financial Statements

We have audited the accompanying financial statements of **liveSAFE Resources, Inc.** (a nonprofit organization), which comprise the statements of financial position as of June 30, 2020 **and 2019**, and the related statements of activities and changes in net assets, functional expenses and cash flows for the years then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audits. We conducted our audits in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the liveSAFE Resources, Inc. as of June 30, 2020 **and 2019**, and the changes in its net assets and its cash flows for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Other Information

Our audit was conducted for the purpose of forming an opinion on the financial statements as a whole. The accompanying schedule of expenditures of federal awards, as required by Title 2 U.S. *Code of Federal Regulations* (CFR) Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards*, is presented for purposes of additional analysis and is not a required part of the financial statements. The accompanying schedule of expenditures of state awards is presented for purposes of additional analysis and is also not a required part of the financial statements. Such information is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the financial statements. The information has been subjected to the auditing procedures applied in the audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the information is fairly stated, in all material respects, in relation to the financial statements as a whole.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated January 29, 2021, on our consideration of liveSAFE Resources, Inc.'s internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering liveSAFE Resources, Inc.'s internal control over financial reporting and compliance.

NOTES TO FINANCIAL STATEMENTS

NOTE 1. ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

ORGANIZATION

Nature of Activities

liveSAFE Resources, Inc. (the "Organization") was created in 1917 as a nonprofit organization established for the purpose of serving the community by helping women achieve self-sufficient and productive lives for themselves and their families. The Organization's primary function is that of being a leading advocate of women, and to strengthen women in mind, body, and spirit through its programs serving victims of domestic violence and sexual assault. The three-county area includes Cobb, Paulding, and Cherokee. The Organization is a nonprofit organization as described in Section 501(c)(3) of the Internal Revenue Code and is exempt from federal and state income taxes. The Organization, as a voluntary health and welfare organization, continues to develop programs in response to the needs of the community and is supported primarily by grants, income from continuing programs, and contributions from individuals and local businesses.

liveSAFE Resources was previously named Young Women's Christian Association of Northwest Georgia, and it was associated with the Young Women's Christian Association of the United States of America. The board of directors approved disaffiliation effective January 15, 2017. The Organization continues all programs and services to victims of domestic violence and sexual assault.

Programs

The Family Violence program assists victims of domestic violence and sexual assault through an emergency shelter program which provides immediate access to safety, medical, counseling, and basic needs. Temporary housing is provided for victims and their dependent children who want to make permanent changes in their lifestyles and live a violence free life. Housing consists of eighteen rented apartments and three houses. In addition, a 24-hour hotline is available for those seeking counseling and intervention. Program fees for temporary housing are charged to program participants based on their personal income. The sexual assault program provides hospital accompaniment, forensic examinations, and counseling and support for victims of sexual assault.

Supporting Services

Fundraising and development activities include the generation of funds and/or resources for the Organization by the development of relationships with corporate sponsors, members, grantors, and donors. This is achieved through grant awards, volunteers, donations, and fundraising activities.

NOTES TO FINANCIAL STATEMENTS

NOTE 1. ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Basis of Presentation

The Organization follows the requirements of the Financial Accounting Standards Board (FASB)'s Financial Statements of Not-for-Profit Organizations. Under this guidance, the Organization is required to report information regarding its financial position and activities according to two classes of net assets: without donor restrictions and with donor restrictions.

The Organization follows the policy of reporting donor-restricted contributions and investment income whose restrictions are met within the fiscal year as support without donor restrictions.

The guidance for *Accounting for Contributions Received and Contributions Made* requires that unconditional promises to give be recorded as receivables and revenues and to distinguish between contributions received for each net asset category. All contributions are considered to be available for use unless specifically restricted by the donor. Amounts received that are restricted by the donor for future periods or for specific purposes are reported as with donor restriction support that increases that net asset class. When a restriction expires, the related donor restricted net assets are reclassified to without donor restriction net assets and reported in the statement of activities as net assets released from restrictions.

Basis of Accounting

The financial statements of the Organization have been prepared on the accrual basis of accounting and, accordingly, reflect all significant receivables, payables, and other liabilities.

Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Cash and Cash Equivalents

The Organization considers all highly liquid investments with an initial maturity of three months or less when purchased to be cash equivalents. Cash and cash equivalents consist of cash held in checking and money market accounts. Cash balances are maintained with financial institutions which are insured by the Federal Deposit Insurance Corporation. Balances exceed insured amounts from time to time. Management does not feel that the Organization is exposed to any significant credit risk on these accounts.

NOTES TO FINANCIAL STATEMENTS

NOTE 1. ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Accounts, Grants, and Pledges Receivable

Accounts, grants, and pledges receivable represent amounts due from program participants, grants, and pledges. Provision for uncollectible accounts are provided by using the allowance method based on management estimates and past experience. As of June 30, 2020 and **June 30, 2019** no allowance for doubtful accounts was deemed necessary.

Investments

The Organization carries its investments at fair value in accordance with *Accounting for Certain Investments Held by Not-For-Profit Organizations and Fair Value Measurements*. Unrealized gains and losses are recognized as income or loss in the accompanying statements of activities. Investment income, gains, and losses are reported in net assets without donor restrictions.

Property and Equipment

Property and equipment are recorded at historical cost or at fair market value at the date of gift, if donated. Depreciation is recognized based on the straight-line method over estimated useful lives ranging from 3 to 40 years. Major expenditures for improvements, which substantially increase useful lives, are capitalized. Maintenance, repairs, and minor renewals are expensed in the year incurred. When assets are retired or otherwise disposed of, the related gains or losses are included in income.

The Organization's policy is to capitalize property and equipment whose cost (fair value if donated) equals or exceeds \$1,000.

Administrative Costs

The Organization allocates administrative costs such as occupancy, office supplies, printing and telephone to various programs based on total employee time per month for each program. Other office and general costs are charged to the programs based directly on the costs attributable to each program.

Compensated Vacation

Employees of the Organization earn a limited vested right for unused vacation time. An accrual has been made for vacation that employees have earned but not taken.

NOTES TO FINANCIAL STATEMENTS

NOTE 1. ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Revenue and Expense Recognition

Revenue is recognized when earned or received. Deferred revenue represents revenue received in advance for future events.

Reimbursements to be received under contracts with federal grantors are recorded as revenue when the related expenditures are incurred. Reimbursements are based on actual expenditures. Receivables represent amounts due for expenses incurred prior to year-end.

Contributions

Contributions, including unconditional promises to give, are recognized in revenue in the period the promise is made. Conditional promises to give are not recognized until the conditions on which they depend are substantially met.

Contributed and discounted services are recorded by the Organization when these services create or enhance financial assets or require specialized skills, and are provided by individuals possessing those skills and would typically need to be purchased if not provided by donation.

The Organization receives donated services, clothing, furniture, and toys throughout the year. The fair value of the items has been estimated to be \$4,866 and \$5,221 for the years ended June 30, 2020 and 2019, respectively, and is included in contributions in the statements of activities.

Income Taxes

The Organization qualifies as a charitable organization as defined by Internal Revenue Code Section 501(c)(3) and, accordingly is exempt from federal income taxes under Internal Revenue Code Section 501(a). It is however, required to file Federal Form 990 - Return of Organization Exempt from Income Tax. This is an information return only.

The Organization accounts for uncertain tax positions in accordance with accounting standards that provide guidance on when uncertain tax positions are recognized in an entity's financial statements and how the values of these positions are determined. No liability has been recorded as of June 30, 2020 and 2019 due to uncertain tax positions.

NOTES TO FINANCIAL STATEMENTS

NOTE 1. ORGANIZATION AND SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Functional Expenses

The costs of providing the various program services and other activities have been summarized on a functional basis in the statement of functional expenses. Accordingly, certain costs have been allocated among the programs and supporting services benefited. Depreciation, utilities, and occupancy expenses are allocated on a square footage basis. Salaries and benefits are allocated on the basis of estimates of time and effort.

Recent Accounting Pronouncements

The Financial Accounting Standards Board (FASB) issued two Accounting Standards Updates that affect the Organization's revenue recognition. The first, Accounting Standards Update (ASU) No. 2014-09, *Revenue from Contracts with Customers* (Topic 606) affects contracts with customers to transfer goods or services and contracts for the transfer of non-financial assets (unless those contracts are within the scope of other standards). The core principle of this Update is that an entity should recognize revenue to depict the transfer of promised goods or services to customers in an amount that reflects the consideration to which the entity expects to be entitled in exchange for the goods or services. This Update requires entities to make new judgements and estimates and provide expanded disclosures about revenue. The second, ASU No. 2018-08, *Not-For-Profit Entities* (Topic 958): *Clarifying the Scope and the Accounting Guidance for Contributions Received and Contributions Made*, establishes standards for characterizing grants and similar contracts with resource providers as either exchange transactions or conditional contributions. For the year ended June 30, 2020, the Organization adopted ASU No. 2014-09 and ASU No. 2018-08. The adoption of these ASUs did not have an impact on the timing of revenue recognition for the Organization.

NOTE 2. PLEDGES RECEIVABLE

Pledges receivable at June 30, 2020 and 2019 consisted of the following unconditional promises to give:

	2020	2019
Pledges receivable	\$ -	\$ 750
Pledges receivable - capital	4,687	26,025

Amount due in:		
Less than one year	\$ 4,687	\$ 26,775
Total	\$ 4,687	\$ 26,775

NOTES TO FINANCIAL STATEMENTS

NOTE 3. RESTRICTIONS ON NET ASSETS

The Organization has received grants and contributions restricted by grantors and contributors for specified programs. These restricted grants and contributions are restricted until used for the program purpose for the time required by the grant or the program purpose as specified by the contributor.

Net assets with donor restrictions were available for the following purposes at June 30, 2020 and 2019:

	<u>2020</u>	<u>2019</u>
Children's and domestic violence program	<u>\$ 22,736</u>	<u>\$ 10,248</u>

Net assets with donor restrictions were released from donor imposed restrictions by incurring expenses satisfying the restricted purposes or by the expiration of time as follows for the years ended June 30, 2020 and 2019:

	<u>2020</u>	<u>2019</u>
Children's and domestic violence program	<u>\$ 20,587</u>	<u>\$ 13,752</u>

Net assets with donor restrictions consisted of the following at June 30, 2020 and 2019:

	<u>2020</u>	<u>2019</u>

The Organization pays for various apartments used in the Family Violence program. Leases are executed in the names of the program recipients for terms of one year or less. Related rent expense totaled \$149,077 and \$117,264 for the years ended June 30, 2020 and 2019, respectively.

NOTE 5. LINES OF CREDIT AND LOANS PAYABLE

The Organization entered into a secured line of credit of \$450,000 with a financial institution to provide for working capital. The balance was \$85,000 and \$77,085 at June 30, 2020 and 2019, respectively. The variable interest rate floor is set at 5.00%.

The Organization entered into a loan agreement in the amount of \$733,000 to refinance the construction loan. The loan carries an interest rate of 5.25%. Principal is to be paid monthly in the amount of \$4,427 starting in February 2019. A balloon payment will be made on the remaining outstanding balance at the time of maturity on January 28, 2024. The loan is secured by the Organization's building and improvements and furniture and equipment. The principal balance outstanding on the loan was \$716,304 and \$728,410 at June 30, 2020 and 2019, respectively.

NOTES TO FINANCIAL STATEMENTS

NOTE 5. LINES OF CREDIT AND LOANS PAYABLE (Continued)

The Organization applied for and received \$305,600 from the Paycheck Protection Program on April 7, 2020. The monies were received via a Paycheck Protection Program Promissory Note to be paid via a fixed payment schedule commencing seven months from the date the loan is funded, consisting of 17 monthly payments of principal and interest with a rate of 1.00% per annum. The Organization plans to request and expects to be granted full forgiveness for the note during the fiscal year ended June 30, 2021. The Organization had an outstanding note payable balance of \$305,600 as of June 30, 2020.

The Organization also applied and received \$10,000 from the COVID-19 Economic Injury Disaster Loan. The loan is for 30 years at a fixed interest rate of 2.75%. The payments on the loans are deferred for one year. The Organization had an outstanding note payable balance of \$10,000 as of June 30, 2020.

Future principal maturities are as follow:

Year ending June 30,	
2021	\$ 203,001
2022	220,734
2023	17,916
2024	660,809

Thereafter	10,000
	<u>1,116,904</u>
Less debt issuance costs	(17,518)
Total	<u>\$ 1,099,386</u>

NOTE 6. TRUST AGREEMENT

The Organization is a participant in an unemployment services trust. The trust provides funding for reimbursing state agencies for unemployment benefits paid to former employees of the Organization and other trust participants. Quarterly contributions are made to the trust based on actuarially determined amounts by the trustee. Effective April 2009, contributions to the trust were changed and based on an estimate of taxable wages paid quarterly.

NOTE 7. RETIREMENT PLAN

All eligible employees of the Organization are included in a contributory, defined contribution 401(k) retirement plan. The plan stipulates that the Organization funds an amount equal to 3% of each eligible employee's salary. Under this plan, the Organization's contributions begin after employees complete one year of service with over 1,000 hours in the year, and employees are vested after two years of service. The Organization's contributions to retirement plans were \$27,148 and \$21,304 for the years ended June 30, 2020 and 2019, respectively.

NOTES TO FINANCIAL STATEMENTS

**INDEPENDENT AUDITOR’S REPORT ON INTERNAL CONTROL OVER
FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS
BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED
IN ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS***

**To the Board of Directors
liveSAFE Resources, Inc.
Marietta, Georgia**

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of liveSAFE Resources, Inc. (the “Organization”) (a nonprofit organization), which comprise the statement of financial position as of June 30, 2020, and the related statements of activities, functional expenses and cash flows for the year then ended, and the related notes to the financial statements, and have issued our report thereon dated January 29, 2021.

Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Organization’s internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinion on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Organization’s internal control. Accordingly, we do not express an opinion on the effectiveness of the Organization’s internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity’s financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Organization’s financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the organization's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the organization's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

INDEPENDENT AUDITOR'S REPORT ON COMPLIANCE FOR EACH MAJOR PROGRAM AND ON INTERNAL CONTROL OVER COMPLIANCE REQUIRED BY THE UNIFORM GUIDANCE

To the Board of Directors
liveSAFE Resources, Inc.
Marietta, Georgia

Report on Compliance for Each Major Federal Program

We have audited liveSAFE Resources, Inc.'s (the "Organization") compliance with the types of compliance requirements described in the *OMB Compliance Supplement* that could have a direct and material effect on each of the Organization's major federal programs for the year ended June 30, 2020. The Organization's major federal programs are identified in the summary of auditor's results section of the accompanying schedule of findings and questioned costs.

Management's Responsibility

Management is responsible for compliance with the requirements of laws, regulations, contracts, and grants applicable to its federal programs.

Auditor's Responsibility

Our responsibility is to express an opinion on compliance for each of the Organization's major federal programs based on our audit of the types of compliance requirements referred to above. We conducted our audit of compliance in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and the audit requirements of Title 2 U.S. *Code of Federal Regulations* Part 200, *Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards* (Uniform Guidance). Those standards and the Uniform Guidance require that we plan and perform the audit to obtain reasonable assurance about whether noncompliance with the types of compliance requirements referred to above that could have a direct and material effect on a major federal program occurred. An audit includes examining, on a test basis, evidence about the Organization's compliance with those requirements and performing such other procedures as we considered necessary in the circumstances.

We believe that our audit provides a reasonable basis for our opinion on compliance for each major federal program. However, our audit does not provide a legal determination of the Organization's compliance.

Opinion on Each Major Federal Program

In our opinion, the Organization complied, in all material respects, with the types of compliance requirements referred to above that could have a direct and material effect on each of its major federal programs for the year ended June 30, 2020.

Report on Internal Control Over Compliance

Management of the Organization is responsible for establishing and maintaining effective internal control over compliance with the types of compliance requirements referred to above. In planning and performing our audit of compliance, we considered the Organization's internal control over compliance with the types of requirements that could have a direct and material effect on each major federal program to determine the auditing procedures that are appropriate in the circumstances for the purpose of expressing an opinion on compliance for each major federal program and to test and report on internal control over compliance in accordance with the Uniform Guidance, but not for the purpose of expressing an opinion on the effectiveness of internal control over compliance. Accordingly, we do not express an opinion on the effectiveness of the Organization's internal control over compliance.

A *deficiency in internal control over compliance* exists when the design or operation of a control over compliance does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, noncompliance with a type of compliance requirement of a federal program on a timely basis. A *material weakness in internal control over compliance* is a deficiency, or combination of deficiencies, in internal control over compliance, such that there is a reasonable possibility that material noncompliance with a type of compliance requirement of a federal program will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency in internal control over compliance* is a deficiency, or a combination of deficiencies, in internal control over compliance with a type of compliance requirement of a federal program that is less severe than a material weakness in internal control over compliance, yet important enough to merit attention by those charged with governance.

Our consideration of internal control over compliance was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over compliance that might be material weaknesses or significant deficiencies. We did not identify any deficiencies in internal control over compliance that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

The purpose of this report on internal control over compliance is solely to describe the scope of our testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Accordingly, this report is not suitable for any other purpose.
